

BISBEE CAN'T RECEIVE LODGE

City Quarantined and Authorities Forbid Odd Fellows Holding Grand Lodge Sessions There; Order Very Rigid

George A. Mintz, grand secretary of the Independent Order of Odd Fellows of Arizona was apprised by wire late yesterday afternoon, by the Odd Fellows committee of arrangements for the forthcoming session of the Grand Lodge in Bisbee, April 17-20 inclusive, that the board of health had positively prohibited the holding of the session there at this time owing to a rigid quarantine that would be maintained for at least two weeks.

Mr. Mintz at once communicated with Grand Master L. E. Rice, of Phoenix, who ordered a postponement to May 15th by which time it is hoped the trouble will have passed. Every lodge of the Odd Fellows and Rebekahs in the state, and officials of the grand bodies, were notified last night by wire, of the postponement, in the hope of apprising delegates and members of the situation, before they set out upon their journey to Bisbee. Some perhaps, in the more distant towns were already on the way and will make part of the journey before they find out as some were expected to arrive in Phoenix this morning, en route to Bisbee.

The Odd Fellows in this valley had chartered a Pullman to serve them as a lodging house in Bisbee, having been told that accommodations were secure and the city crowded. The railway company was immediately asked to cancel the order, so everything now depends upon later news from Bisbee.

The telegram of information from Bisbee did not indicate the nature of the quarantine was the order of the state or local officials. It merely stated that the order was positive and delegates to the convention would not be permitted to enter the city.

On Palm Sunday the hour for morning worship has been set for 10:45 a. m. The Confirmation service and the service preparatory to the sacrament of the Lord's Supper will take place during this hour. There will be the reception of new members and the administration of the Lord's Supper at both morning and evening services. Everybody is cordially invited to attend all of these services, Second Avenue, between Jefferson and Washington streets.

NO FIGHTING ON LINE IN FRANCE OR IN BELGIUM

(Continued from Page One)

heavy fighting has been going on along the British front in France recently is given in the casualty lists of the last two days. Today's list contains the names of 24 officers killed and 197 wounded. Included in the list of wounded, are a number of Canadians.

There is a good deal of comment on the brevity of the reports received. "The actions," say a newspaper, "one is continually learning from talks with men on leave, have been learned of great importance but have been described in curt, two-line reports."
